

CIBTvisas Switzerland

Recognized as the industry leader since 1989, CIBTvisas has a proven track record of moving talent across borders seamlessly and efficiently. With more than 1,950 experts in 27 countries across the globe, CIBTvisas specializes in navigating the complexities of the visa process and simplifying work and travel. Our services are trusted by over 10 million travelers and 75% of the world's largest companies.

Global reach, local expertise, customer-focused solutions

The CIBTvisas difference lies in our extensive global network and specialized local expertise. With our user-friendly proprietary knowledge base, you gain instant access to the latest travel requirements for destinations worldwide. This ensures you have the correct application form specific to your traveler's itinerary, effectively alleviating any worries about compliance issues.

Switzerland's local visa experts

CIBTvisas' newest office is located in Zürich, Switzerland. Our team of local visa experts are ready to provide you with exceptional experiences for all of your visa needs. Our customized services include:
